Cadillac Desert The American West

CADILLAC DESERT

Reisner's Cadillac Desert: the American West and Its Disappearing Water (582 pp, Penguin Books, 1986) Reisner says that the West, being mostly desert or semi-desert, could naturally sustain only small populations. But once it had been sold as an empty paradise by hucksters, land speculators, bankers and railroad magnates, and began

Cadillac Desert - The American West and its Disappearing Water

It's unlikely that most taxpayers will read "Cadillac Desert: The American West and Its Disappearing Water," but they should. It's a revealing, absorbing, often amusing and alarming report on where billions of their dollars have gone - and where a lot more are going.
